## REPORT OF FOREST FIRE WARDEN

During the past year Eaton was fortunate in not having had any fires to report.

It is again brought to the attention of all that, when, there is no snow cover, burning permits are required for rubbish, grass, etc. The fire warden will gladly cooperate and if he is not available Deputy Warden John Edge of Rockhouse Mountain Farm has power to issue permits.

Any incinerators not already approved should be reported to the Warden for inspection.

The people of Eaton are to be congratulated for their efforts in keeping the town safe and the woods and fields green.

Pack pumps all set to operate are available in the shed at the rear of the Warden's house except in the winter.

## ANNUAL REPORT OF SCHOOL NURSE

The Health Services for the children in the Eaton School for the school year 1964-65 included vision testing, hearing testing, individual health inspections and patch testing for tuberculosis for new entries and grades one and four.

With the realization that primary responsibility for the health of children rests with the home it is gratifying to find the child's attitude toward health procedures acceptable as a part of growing up. Their regard for 'Their Doctor' as a good friend who tries to keep them well — the enthusiasm they show when they have received boosters for continued protection against Diphtheria, Tetanus, Small Pox, Polio and Measles is a credit to all concerned.

	Number of defects found	Number of corrections or under treatment
Vision	1	
Teeth	5	2

Three children in grades one and two participated in the program offered for dental cleanings and the application of Topical Fluoride. Although dental problems continue to be the outstanding defects found among the school children it is encouraging to find the number who have had timely dental care. Also the interest in proper nutrition as it affects the child, not only in regards to good teeth but also to optimum health and its relation to the learning process.

I wish to take this opportunity to express my appreciation to everyone who has helped to make this program possible.

Respectfully submitted,

REBECCA P. SANBORN, R.N.
